A workshop on “qualitative research” was conducted by The PATRICIAN RESEARCH, CONSULTANCY AND TRAINING DIVISION (PRCTD) on 22nd October, 2019. Dr. Prince Solomon, Assistant Professor of Department of social work, Madras Christian College was the resource person. 30 students from different colleges participated in the workshop. It helped the students to apply theory to practice. These methods used to gain an understanding of underlying reasons, opinions and motivation.

The Trainer began the session by explaining the basic concepts in research like choosing broad topic, Review of literature, sub themes, general objectives, specific objectives, research design and types, sample techniques, size, tool and data collection. Students were attentive and keenly focused on the concepts that were taught. Students were also taught about the selection of research problem as well as the importance, sources and aspects of it. On the first session, the trainer focused on theory so that it would be a strong base for the students regarding research. On

the second session, the trainer focused on practical about research in detail and how to use all the methods in the research. To acquire expertise in identifying appropriate qualitative tools for different types of research objectives
