

PLACEMENT REPORT 2015-16

Final year UG students are encouraged and motivated to pursue Post Graduation programs in the recognized colleges and universities. Students are guided towards the different job opportunities in Multi-National Companies, International Banks, Auditing Firms, Software companies, Digital companies and in Government sector. For the year 2015-16, 135 students were selected in various placement drives. Students are trained in Resume writing, Group Discussion, Role Play, and Interview skills.

Placement team at Patrician College continuously guides students for off- campus jobs and higher education even after the completion of the degree. Patrician College is continuously pursuing to invite reputed organizations to benefit students with maximum remuneration and benefits as per management's direction.
