

PLACEMENT REPORT 2016-2017

Career orientation programs were conducted for the final year UG and PG students to help them explore higher education opportunities. The students were also exposed to various career opportunities in private and public companies. Employability and skill orientation programs were conducted to prepare the students for on and off campus Interviews. Students were trained in key areas such as Resume Writing, Group Discussions and Interview Skills.

Final year UG students had ample placement opportunities in reputed companies which conducted campus Interviews during the academic year 2016-2017. A host of companies from a variety of industrial sectors visited the campus this year. Sundaram Business Services, RR Donnelley, ICICI Prudential, Just Dial, Citi Bank, World Bank, Sutherland, Khazana Jewellery and TCS IT conducted on-campus Interviews for full-time and part-time Jobs. Two hundred students participated and 65 students got selected. The Placement cell also offers continuous support and guidance to the students to attend off campus Interviews after the completion of their graduation. Placement cell is facilitating Industry Institutional Interface for the benefit of the students.
