History was created this year at Patrician College with a new initiative undertaken by the college which received wide spread appreciation from the public and the student community. A 10K marathon titled Cancerathon – Run for a Cause was organized on 25th February 2018, to raise awareness among the student community and the public on the importance of early detection and prevention of cancer. The idea was conceptualised and planned by the Department of Social Work and TEAM PHANTASIA (Cultural committee) with technical support from Adyar Cancer Hospital and Ramachandra Hospital. The marathon was flagged off from Patrician College, towards Elliot's Beach and end at the college premises. Attractive cash prizes for each category brought in even more interest to the event.

News of the marathon reached far and wide through social media, posters, banners etc. and soon calls from places as far as Singapore started pouring in with queries about the marathon. It generated massive interest among Patrician students and the public, from the youth to the elderly.

D-day saw a crowd of almost 2000 people; the 10K category became the most popular as there were approximately 800 registrations. A Zumba dance session was held to boost the energy levels of the participants. Flag-off took place at sharp 6 am, after a brief talk given by Dr from Adyar Cancer Hospital. There were hordes of student volunteers at each checkpoint to cheer the participants. Each department of Patrician College was entrusted with different responsibilities such as registration, road volunteers, first aid and hydration, refreshment, certificate distribution etc.

It was a heartwarming moment to witness so many people gathered with the aim to work towards the cause, the excitement in the air was palpable as friends, families and individuals came together to enjoy as well as educate themselves through the marathon.

About 1 ½ hours later, as tired but zealous participants returned to Patrician College, another Zumba dance session was conducted as part of the cool-down routine. Later, they were served refreshments. T-shirts and caps were given to all participants and wristbands were given to the top 20. Cash prizes were handed out to the top 3 from each category.

Cancerathon - Run for a Cause has struck a chord among the student community as its first edition was carried out successfully. The second edition is eagerly anticipated and will undoubtedly raise the bar set by its predecessor.

In the repetitive life cycle of a student, ‘college fests’ are eagerly awaited events. Besides the entertainment, they provide an excellent platform to showcase all kinds of different talents.

Extracurricular activities teach students how to work for a common goal, increases their self confidence and this ultimately develops a sense of responsibility in them. The College management understands the need to balance academics with extracurricular, for the holistic development of a student, and is extremely supportive of the cultural activities conducted in the campus.

Evoluzione, the interdepartmental college culturals is the most anticipated event in the Patrician college calendar. The event was hosted by the Fine Arts Club from 3rd - 6th October, with twenty offstage and eight onstage events. Ten departments vied with each other for the coveted Evoluzione trophy in a healthy, spirited competition, showcasing creativity in a mind boggling display of talent. Mindful of maintaining an academic balance with cultural activities, the off stage events were held after college hours, thus sending a clear signal to the student community for the need to prioritize in life.

Evoluzione 2017-18 witnessed new events, categorization of events based on skills, democratization of rules allowing more student participation and DJ evening which was a first in Patrician history.

The onstage events kick started on 3rd with a short inauguration and lamp lighting. The main stay of the cultural committee- the scoring, hospitality and certificate committees lit the ceremonial lamp along with the student council members and fine arts secretaries. Mr. Praveen, cultural secretary warmly welcomed the gathering. Principal, Dr. Joseph Durai, exhorted the gathering on the importance of culturals performed in the true spirit of competitiveness and entertainment. The Director and Secretary, Rev. Br. Johnson Rex Dhanabal, declared the culturals open. For the next four days, the campus came alive with the buzz of activity- morning hours in the classroom, the afternoons alive with performances and practices for various events.

The 6th of October was the main day of culturals and also the most ‘happening’ day, with thrilling, exciting events such as Ramp walk and Group Dance. Classical dance competition was the surprise package and true to its spirit the participants across departments amazed the audience by the sheer unleashing of talent in its purest form.

This year too, the cultural committee brought in well known personalities, experts in their fields, as judges for the 28 events.

Some of them were:

- Mr. Anthony Dass, Play back singer and lyricist
- Ms. Padmalatha, Cine playback singer ,classical, western and folk music
